# Audion Magneta Hand Sealer with Worktable, Support, Rolls & Foot Pedal

**AUDION**  
Packaging Machines

**Robust impulse sealer providing high quality seals time after time. Ideal for medium-duty applications. 3 Years warranty included.**

The integrated electromagnet holds down the sealing arm, ensuring consistent seals independent of the operator. For more operator convenience the Magneta is available with mechanical foot operation or motorized operation. Manufactured in Netherlands

Efficient

Easy to use

Reliable

Robust

Warranty

Low maintenance

Product Name	Seal Length	Seal Width	Integrated Knife
MAGNETA 321	320	3mm	Yes
MAGNETA 421	420	3mm	Yes
MAGNETA 521	520	3mm	Yes
MAGNETA 621	620	3mm	Yes

## Benefits

### Electromagnet closure

User-friendly and reliable, ensures consistent seals independent of the operator.

### Strong seal

3 mm seal

### Efficient control

The independent adjustment of sealing and cooling time allows you to precisely adjust the seal cycle to the thickness of your film and/or intensiveness of sealing.

### Integrated knife

To produce custom bags at any length from tubular film and easily cut off leftover film above the seal

## Application

The Audion Magneta is a reliable impulse sealer that provides high quality also during intensive use.

The Magneta impulse sealer is ideal for medium-duty applications where you need to seal up to a few thousand poly bags per day
